A message from Director of the Board, Brian Girvan

Dear Fellow Members,

While 2008 was a truly challenging year in every respect, we have much to be thankful for as we think about how much we have accomplished since we took ownership of the Club in 2007. I'd like to personally thank the Club's management and staff for their tireless dedication to making the Club into the special place it is. We know that year 2009 will present a new set of challenges, but, with your help, we feel up to the challenge and look forward to continuing to build the Club to its full potential.

On behalf of my fellow Board members, I wish you all a healthy and prosperous 2009.

Sincerely,
Brian Girvan

New Mansion Club Membership Announced

Introducing our New Mansion Dinner Club

-Bob Talbot

The Board of Managers, my staff and I, are confident this new membership will add to an improved social atmosphere here at Turner Hill. This membership was established with our current Golf and Mansion Club Members in mind. The Dinner Club Membership is an opportunity for all of us to build our club from within, surround ourselves with family and friends, and truly make this our social destination of choice for all seasons. I trust we all have many friends and associates that have little interest or time for golf, but might have great interest in becoming a social member at such a special place like Turner Hill.

Our goal is to accept 100 New Mansion Dinner Club Members by July 1, 2009. We need your help. We are requesting that all members sponsor a minimum of two friends, family, or business associates for Dinner Club Membership prior to March 1, 2009. Thank you for making this membership initiative a priority. Please forward all potential Golf, Mansion Club, and Dinner Club member referral information to Colleen McAuley at cmcauley@turnerhill.com. My staff and I will do the rest. See Open House schedule to the right.

Haddington Wine Club

The Haddington Wine Club is uncorked! More than half of the lockers have been sold and many of the members are already taking advantage of the Club's benefits. In fact, there are members every weekend in the Grille enjoying wines from their lockers to compliment their dinner selections.

Since the inception of the Wine Club, members have ordered over \$16,000 worth of wine. The retail value of that wine if sold in restaurants would be almost \$40,000!

With the upcoming opening of the new Mansion Restaurant, there has been more interest in the Wine Club than ever before. If anyone is interested in reserving a locker and taking advantage of the tremendous savings, please contact Brian Pelland at extension 106.
